### CHAPTER I

#### **General provisions**

## **#M9**

### **ART. 1**

*The purpose of this decision is to establish a state aid scheme with major impact on the economy, hereinafter referred to as the scheme, with the objective of regional development by making investments in all sectors, provided in [annex no. 1](#).*

## **#M2**

### **ART. 2**

*(1) The granting of state aid to stimulate investments with a major impact on the economy under this scheme is made in compliance with the provisions on regional state aid in [Regulation \(EU\) no. 651/2014](#) of the Commission dated 17 June 2014 declaring certain categories of aid compatible with the internal market pursuant to [Articles 107](#) and [108](#) of the Treaty, with subsequent amendments and supplements, hereinafter referred to as the Regulation, and exempted from notification to the European Commission.*

## **#B**

*(2) The European Commission shall be informed within 20 working days from the date of entry into force of this Decision, in accordance with the provisions [of the Regulation](#).*

### CHAPTER II

#### **Duration, budget of the scheme and estimated number of beneficiaries**

## **#M6**

### **ART. 3**

*(1) Financing agreements may be issued under this scheme until 31 December 2023, in accordance with State aid legislation and the regional map authorized by the European Commission, within the annual budget allocated to the scheme.*

*(2) The payment of the state aid is made in the period 2015 - 2028, based on the financing agreements issued, within the limit of the annual budget allocated to the scheme.*

## **#B**

### **ART. 4**

*(1) This scheme is included in the Program "State aid for financing investment projects" within the budget of the Ministry of Public Finance - General actions. The issuance of agreements for financing and payment of state aid approved on the basis of the provisions of this scheme is done with the commitment appropriations and budget appropriations approved annually by the state budget law for this program.*

## **#M10**

*(2) The maximum budget of the scheme is 7,379.95 million lei, respectively the equivalent of approximately 1,499.99 million euros, as follows:*

a) commitment appropriations for the issuance of financing agreements for the period 2014 - 2023;

### CHAPTER III

#### **Eligible expenses**

#### ART. 6

(1) The expenses without VAT related to the realization, respectively to the acquisition, as the case may be, of tangible and intangible assets, as defined in [art. 1](#) let. a) and b) of the Procedure regarding the granting of state aids, provided in [annex no. 2](#), as well as the expenses related to renting the constructions related to the initial investment.

(2) Tangible and intangible assets must cumulatively meet the following eligibility conditions:

a) be operated exclusively by the State aid recipient undertaking in order to achieve the investment objectives for which the financing was requested;

b) to be included in the assets of the enterprise receiving state aid and must remain associated with the investment for which the financing was granted for a period of at least 5 years from the completion of the investment;

c) to be purchased under market conditions.

#### # M1

(3) The intangible assets must cumulatively meet the eligibility conditions provided in par. (2), as well as to be purchased from third parties that are not related to the buyer.

#### # M6

(4) \*\*\* Repealed

#### #B

(5) In case of renting the constructions related to the initial investment, the lease contract must have a validity of at least 5 years from the date of completion of the investment and the maximum eligible rent value may not exceed 22 lei/sqm/month, respectively the equivalent of approximately 5 euro/sqm/month.

(6) In order to be considered eligible, the costs related to intangible assets may not exceed 50% of the total eligible costs related to the investment.

## ART. 7

The beneficiary of State aid must provide a financial contribution of at least 25% of the eligible costs, either from its own resources or through external financing, in a form which is not subject to any other public aid.

## ART. 8

State aid is granted to enterprises, in compliance with the provisions of this decision and the [Regulation](#), by allocations from the state budget, from the budget of the Ministry of Public Finance - General actions, in the form of non-reimbursable amounts, in relation to eligible expenses and maximum allowable intensity.

## CHAPTER IV

### Intensity and cumulation of state aid

## ART. 9

(1) The maximum level of state aid from which an enterprise may benefit, within the scheme, in relation to the eligible expenses and in compliance with the provisions of [art. 11](#), is as follows:

Region	Maximum level of state aid	
	2014 - 2017	2018 - 2020
Bucharest Region (NUTS3 RO 321)	the equivalent in lei of 11.25 million euros	the equivalent in lei of 7,5 million euros
Western Region (NUTS2 RO 42) and Ilfov Region (NUTS3 RO 322)	the RON equivalent of 26.25 million euros	
Northwest Regions, Center, Northeast, Southeast, South Muntenia, Southwest Oltenia	the RON equivalent of 37.5 million euros	

(2) In order to verify the compliance with the maximum level of state aid expressed in euro, the Ministry of Public Finance uses the exchange rate established by the National Bank of Romania, valid on the date of elaboration of the financing agreement.

## ART. 10

1. The gross intensity of regional State aid in relation to eligible expenditure may not exceed the following percentages:

Region	Maximum State aid intensity	
	2014 - 2017	2018 - 2020
Bucharest Region (NUTS3 RO 321)	15%	10%
Western Region (NUTS2 RO 42) and Ilfov Region (NUTS3 RO 322)	35%	
Northwest Regions, Center, Nord-Est, Sud-Est, Sud-Muntenia, Southwest Oltenia	50%	

## M9

(1<sup>^</sup>1) The gross State aid intensity which an enterprise may benefit from under the scheme in the period 2021 to 2023 in relation to the eligible expenditure shall be determined

by the regional maps approved by the European Commission for that period and is provided in [annex no. 3](#).

## **#B**

(2) In the case of large investment projects, the aid may not exceed the maximum value provided for each development region in [art. 9](#) para. (1) and is calculated according to the formula provided in [art. 2](#) para. (20) of the Regulation.

(3) A single investment project may not be divided into several sub - projects in order to benefit from State aid in excess of the maximum amount provided for large investment projects.

(4) If a single investment project is a large investment project, the total cumulative value of the aid for the single investment project may not exceed the value of the maximum aid for large investment projects calculated according to par. (2).

## ART. 11

(1) In order to establish whether the level and intensity of the state aid, from which an enterprise benefits, falls within the maximum limits provided in [art. 9](#) para. (1), respectively [art. 10](#) para. (1) and (2) shall take into account the total amount of State aid granted for the State aid activity, investment or enterprise.

(2) State aid granted under this scheme may be cumulated as follows:

a) with any other state aid related to different eligible costs;  
b) with any other state aid, in connection with the same eligible costs, but only if the respective cumulation does not result in exceeding the maximum limits provided in [art. 9](#) para. (1), respectively to [art. 10](#) para. (1) and (2).

(3) State aid granted under this scheme shall not be cumulated with de minimis aid in relation to the same eligible costs, if such cumulation would lead to an aid intensity and level exceeding the limits provided in [art. 10](#) para. (1) and (2).

## ART. 12

The requested state aid may not exceed the total value of the regional development contributions related to the investment for which the financing is requested, as defined in [art. 1](#) lit. h) of the Procedure regarding the granting of state aids, provided in [annex no. 2](#).

## CHAPTER V

### **The stimulating effect**

#### **ART. 13**

1. This Decision shall apply only to aid which has an incentive effect.

#### **#M6**

(2) *The aid is considered to have an incentive effect if the company submits a written request for state aid to the Ministry of Public Finance before starting the investment.*

#### **#M2**

#### **ART. 14**

*If the applicant company starts the investment prior to the application for the financing agreement, the entire investment is not eligible.*
